**For 16 years the leadership of *Koinonia* has brought 1000s of women, youth and men together in Ocean City to experience a presence and a power of God that has been life changing for many. *Koinonia Ministries,Inc* have heard the prophetic voice of the Lord spoken to us through the years. By faith, we are moving to the next dimension of the ministry (501c3, grant funding, business and economic ventures and enlarging our territory of ministry) The vision God has given me for *Koinonia* is BIG and it will serve, empower, and elevate the lives of many families. We welcome those who would like to be stakeholders in where the Lord is taking us. *Prayfully*, consider this-it will require your time and commitment for planning, praying, meeting, and your spiritual and professional gifts and skills. Check if interested \_\_\_\_\_**

**We will contact you for our initial meeting in early summer.**
